Delaware Valley
Central School

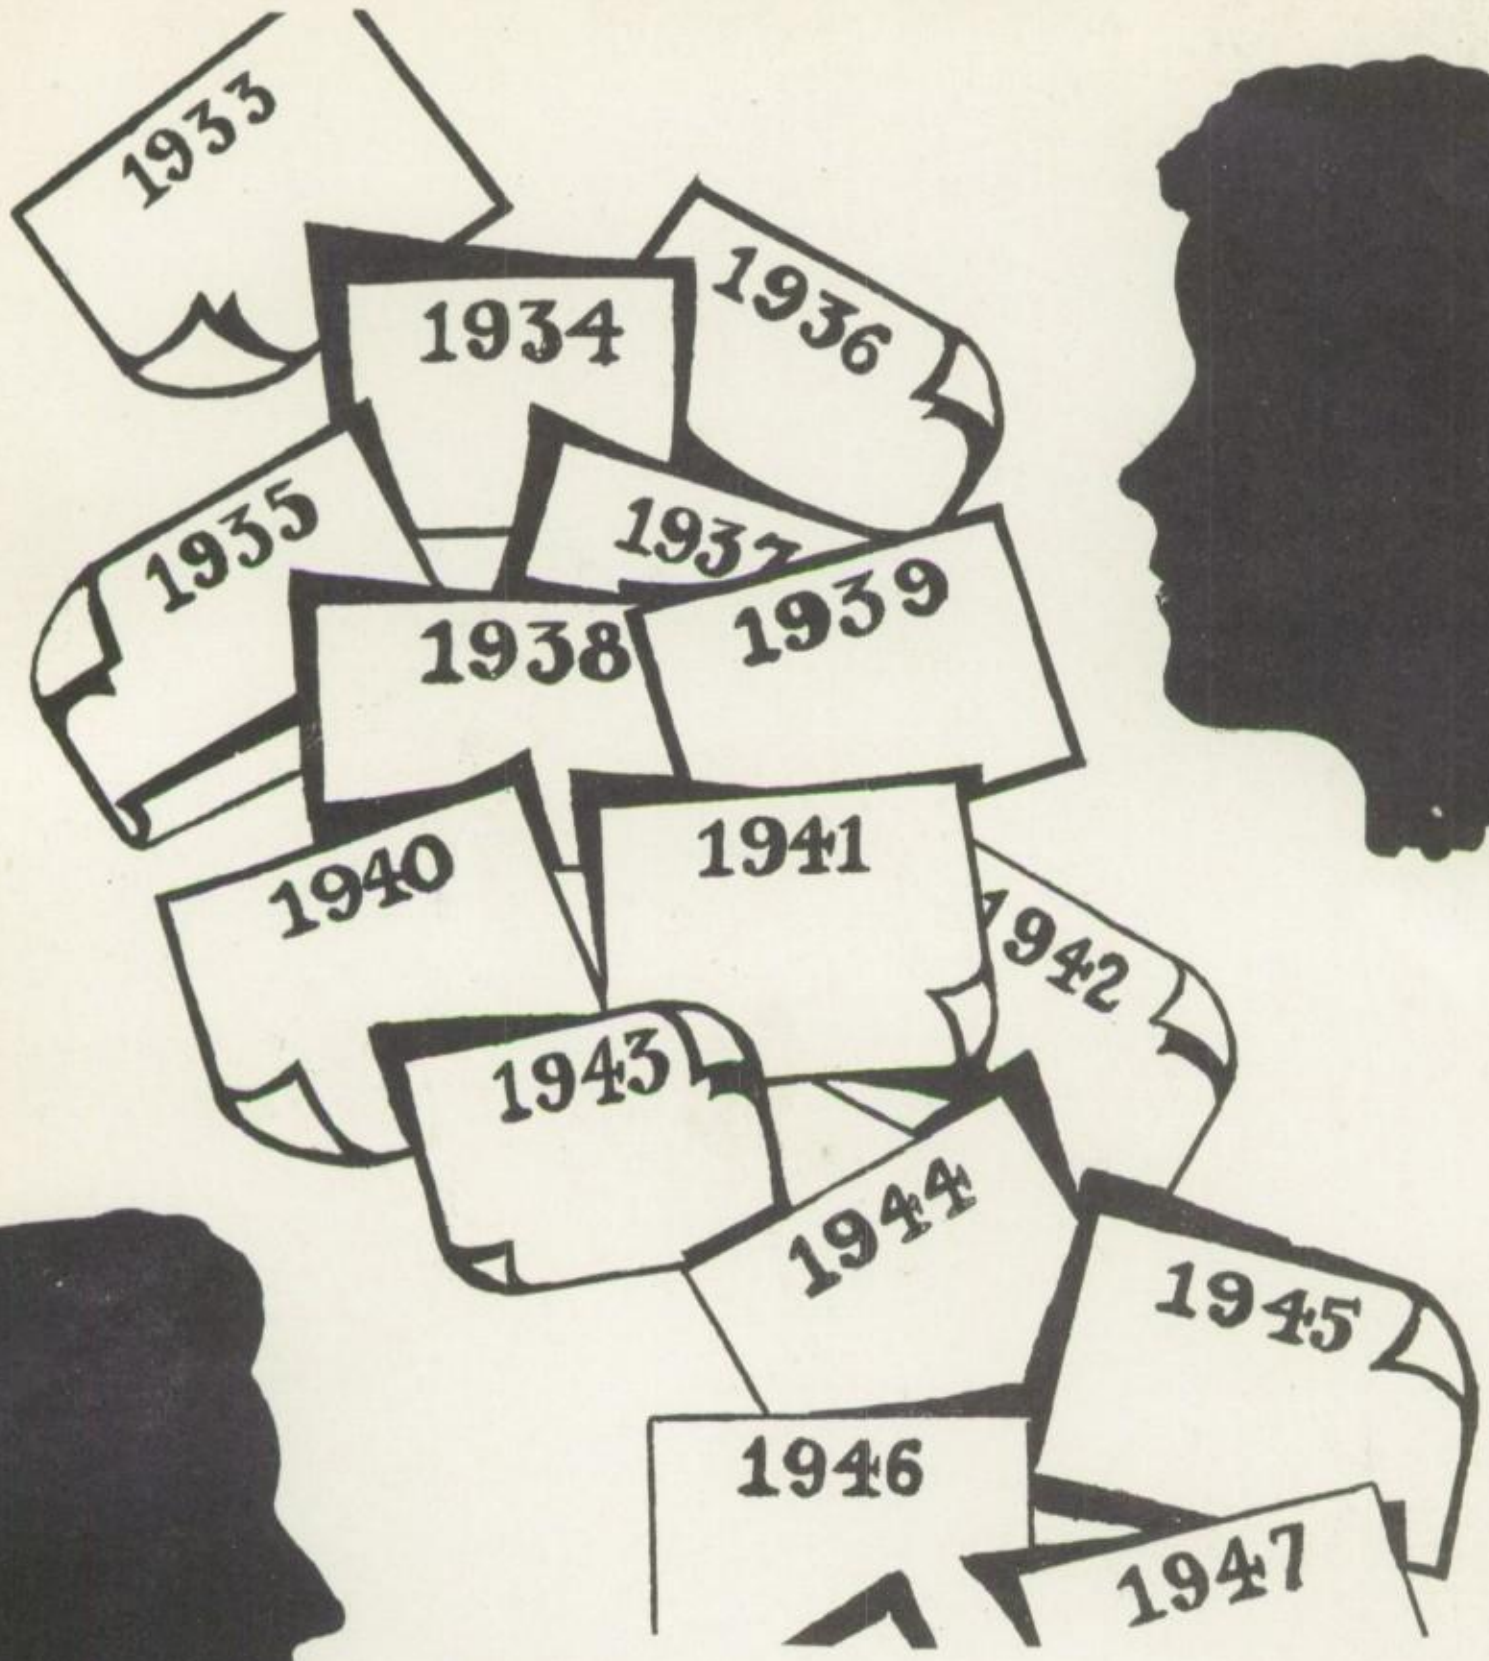
# *Foreword*

THE hour-glass has turned, at last, and we, the graduates of the Delaware Valley Central School, are venturing forth to take our place in the world. Time is moving, ever moving, onward and we are moving with it to imprint our footsteps in the sands of Time. In future years, we hope that this yearbook, **The Delaware 1951,** will serve as a reminder of our years in school.

Jack C. Mayer

# DEDICATION



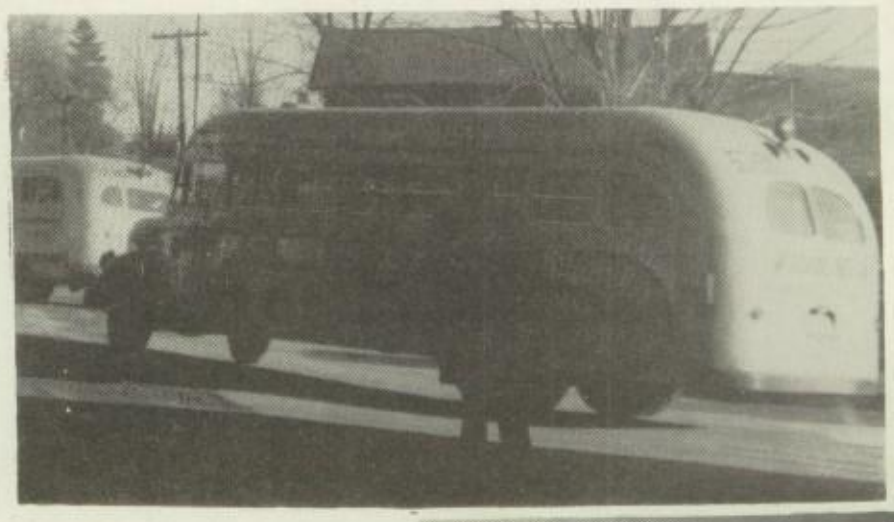
ALL through our years in school, through discouragements, disappointments, and then again, happiness, we each have been guided and counseled by two people whose judgment we trust more than any others—our parents. It was they who helped us over the rough spots, guiding our footsteps in our early years and training our minds as we grew older. They gave advice when needed or merely listened to our complaints and troubles, of which there were many, and helped us to overcome them. No one knows what the future has in store for us, but their wise advice and counsel will follow us as we go on to make our place in the world of today.

As a small measure of the gratitude and appreciation we feel toward our parents, whose untiring efforts have helped us to attain the goal which we now have reached—graduation, we dedicate to them "The Delaware 1951."

# IN AND OUT OF SCHOOL.....

Each hour we spend is filled with some new activity. Every day we have a few grains of sand to spare and here is where we spend it in and out of school.

At 8:30 A. M. the buses start unloading many of us at D.V.C.



Those who live in town walk. The buses drive away and school is ready to start.

We pass to class up and down that busy central staircase.

Noon Hour. Room 4 is used as the cafeteria. We take turns, little ones first shift.

We choose the cellar door.

Mr. Nudorf, our ever faithful custodian, friend to everyone, teachers and pupils alike.

Mr. Bullock and others choose the front steps with the warm sun to spend the noon period.

The hall bulletin board holds valuable information.

There are intramural games at noon, touchball and soccer outside and basketball and volleyball inside.

Jackie says it's 8 for his side.

Mrs. Neumann and Mrs. Hughs make the lunches that are hot and tasty.

Hankins gets off a quick pass.

Marcia Lou Traynor acts as cashier in the cafeteria.

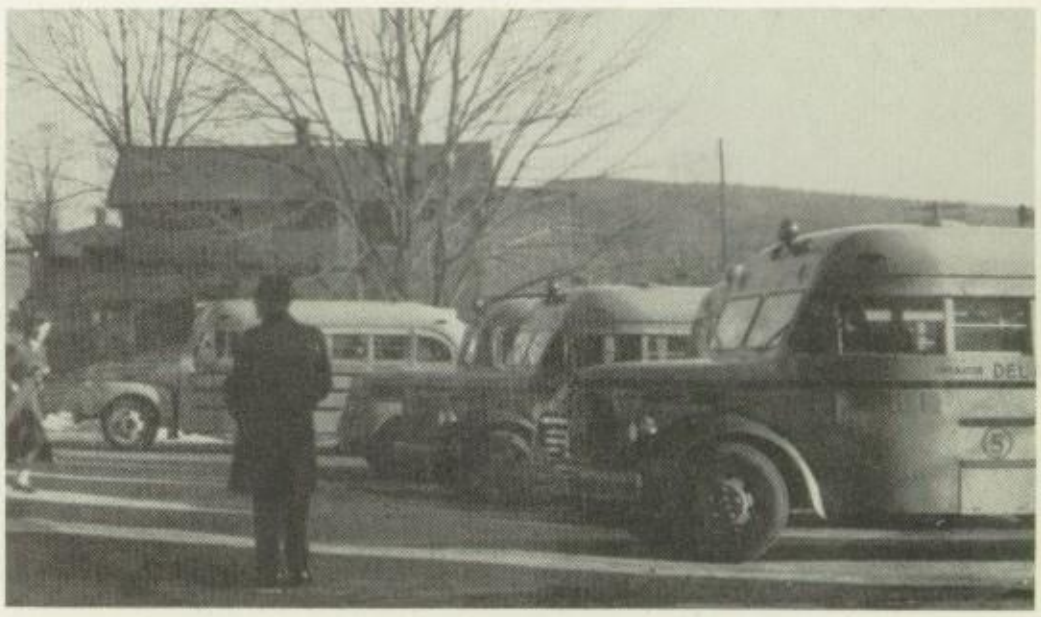
Let's plan our attack.

Soccer. 7th vs. 8th graders.

We root for the Seniors.

Jack Manouse carries all and is right-hand man in the cafeteria.

As the hour of closing draws closer and we attend our last classes our thoughts begin to wander. Some of are almost tasting that luscious sundae we're going to enjoy after school at Larry's or Bennett's or George's or Wayne's.



Others get on the buses and as we drive away we are thinking of our date to the movies this evening.

And so another day is chalked off of the calendar of time in school.

Like the mainspring of a clock is indispensable to the working of the instrument, so are the Board of Education, supervising Principal and the Superintendent of schools indispensable to the running of the school. It is through their efforts that the new school is slowly materializing into a reality and to them do we owe our thanks and gratitude.

## CLASSES

From nine to three-thirty the clock ticks off the seconds as we attend our various classes. Sometimes the time goes slowly, — especially when that assignment is incomplete, — other times it flies, — when we are trying to accomplish a great deal in one period. Time and effort will help this group to develop their abilities.

# Class Of 1959

Time elapses and this class has reached the fourth rung of the ladder of time. The fourth grade has for its guiding light, Mrs. Milk. Many of the children belong to such clubs as: The Brownies, Junior Red Cross, Arts and Crafts and 4-H organizations.

**Bertha Milk, B.S.**
N.Y.S. College for Teachers at New Paltz.
Fourth Grade; Junior Science Club.

### BROWNIES

Time will make these Brownies full-fledged Girl Scouts, increasing their abilities year by year. The Brownies are sponsored by the Literary Club and meet every Wednesday at school under the leadership of Mrs. Milk and her assistant, Miss Mickel. The sixteen small Brownies have sold cookies, made mats, necklaces and have dabbled in the art of weaving and are now knitting. The officers are: Mary Curtis, president; Irene Fisher, vice president; Shirley Medlar, secretary and Wilma Baden, treasurer. The project for next month is a party for the mothers.

These future scientists meet every Wednesday. The work projects are planned according to seasons. In the fall seed growth and dispersal are studied. In the winter the projects take form in the study of animals and hibernation; birds and migration, and plants. Each keeps a notebook of the work covered and slides pertaining to the subjects studied.

**SECOND GRADE ASSEMBLY, "The Couple In the Shoe"**

The second grade, which is just beginning the march of time, has twenty-nine members under the direction of Mrs. Traynor. This group has done much walking this year to acquaint itself with the community in which some of them will spend their future years.

**JUNIOR RED CROSS**

Today's time savers, tomorrow's life savers and today the bringers of cheer to those whom time has treated a bit roughly—the Junior Red Cross—consisting of about 40 members. The most note-worthy projects of the Junior Red Cross are the twenty gift boxes packed for overseas with contributions from the members, filling nut cups and making scrap-books for the hospital, collecting old toys to be repaired and collecting newspapers and magazines.

It's still an early hour in its history but the first grade has begun to absorb knowledge. Because of the large number of students, who total forty-five, the class has been divided into two sections taught by Mrs. Tobin and Mrs. Kiernan. They hold classes in the Community Hall of the Methodist Church and so are seldom seen around the main building.

# Class Of 1963

The class of 1963 can be compared to an hour-glass, just freshly turned over. As the bottom of the hour-glass gathers the sand, the kindergarten has begun to assimilate knowledge. These 34 members have started their school days under the guidance of Miss Mickel. Their work consists of learning songs, drawing pictures and mastering the art of writing. Health, especially of the teeth, has been stressed throughout the year.

**First Row:** J. Winterrath, G. Lahm, F. Bauernfeind, L. Stewart; **Second Row:** R. Hirte, L. Blatchly, G. Conklin, W. Mudge, C. Miller, J. Ohls, A. Wood; **Third Row:** B. Bernitt, M. Lorenzo, B. ## OTHER SCHOOLS IN THE DISTRICT

As time has progressed from the earlier years when D.V.C. was centralized, the small schools around the vicinity were closed until today there are only two one-room school buildings and the school house in Long Eddy, which accommodates children from grades one through nine. As Mr. Slausenberg's baton beats out time, the Chorus sings merry and jaunty melodies as it prepares for the various musical activities it puts on for the enjoyment of the public. The spring show, the Sullivan County Study group which met at D.V.C. and the spring concert were a few of the functions which were enhanced by the music of over sixty well-trained students.

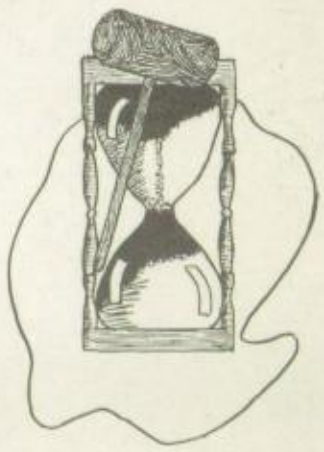
The representative body of the students meets once a month to settle the disputes of the student body, which have occurred in the elapsing time. Each high school class has four representatives, namely their class officers, and the junior high school classes have one representative, their president. The officers of the student council are: Howard Hermann, President; Joyce Muir, Vice President; Paul Fendt, Secretary-Treasurer. Working diligently in the little time allotted for a meeting, the council has been able to work out the grievances of the students and keep the pupils satisfied.

## NATIONAL HONOR SOCIETY

Time to study . . . The most important factor in gaining admittance to the National Honor Society. The five members have used this phrase as a guiding light throughout high school and in their third year, have received the N. H. S. pin. This year, the Society has found a few snatches of spare time and has been working on Alumni files, recording addresses, marriages and work of all former graduates of D. V. C.



**First Row:** R. Ferber, J. Muir, C. Lutz; **Second Row:** C. Schmidt, R. M. Bertsch.

## HI-NEWS

One of the important factors in producing our school newspaper is getting the assignments in on time. The staff covers all the important events, injecting humor and style into their coverage of the news. The **Hi-News** has been working diligently to raise its standing in the Columbia Scholastic Press Association, where it took a third place rating last year.

**Seated:** C. Lutz, E. Fedor, E. Knack, J. Lutz, M. Milk, R. M. Bertsch; **Standing:** M. L. Traynor, W. Schultz, T. Snyder, H. Hermann, H. Newman, C. Schmidt, L. Hartman, B. J. Robisch; **Absent:** F. Brown.

## YEARBOOK STAFF

Time, time, time. It was so short when it came to meeting the deadline for the yearbook. The staff has worked exceedingly hard to get the pictures taken, the copy written, the drawings finished, and the lay-out planned for the 1951 Delaware. Rose Marie Bertsch is editor-in-chief of the staff.

**Seated (left to right around table):** J. Winglovitz, M. L. Traynor, M. L. McGrath, M. Kautz, B. Wagner, H. Hermann, W. Nudorf, R. Schultz, J. Metzger, J. Dorrer; **Standing:** E. Stabbert, D. Hankins, W. Schultz, J. Sanchez, H. Newman, E. Knack, G. Zopf, L. Hartmann.

This year the Dramatic Club, with Mrs. McGrath as faculty adviser and Mary Louise McGrath as president, went Japanese and presented Gilbert and Sullivan's comic opera, **The Mikado.** Beautiful scenery and hand-stenciled, hand-dyed costumes by the art department under Miss Sprague's guidance, and other gorgeous costumes by the club made the performance beautiful and impressive. The singing and music was wonderful as always under Mr. Slausenberg's direction. The club also learned some of the fine points of the art of make-up and received instructions in dramatics, both of which they employed to great benefit in the operetta.

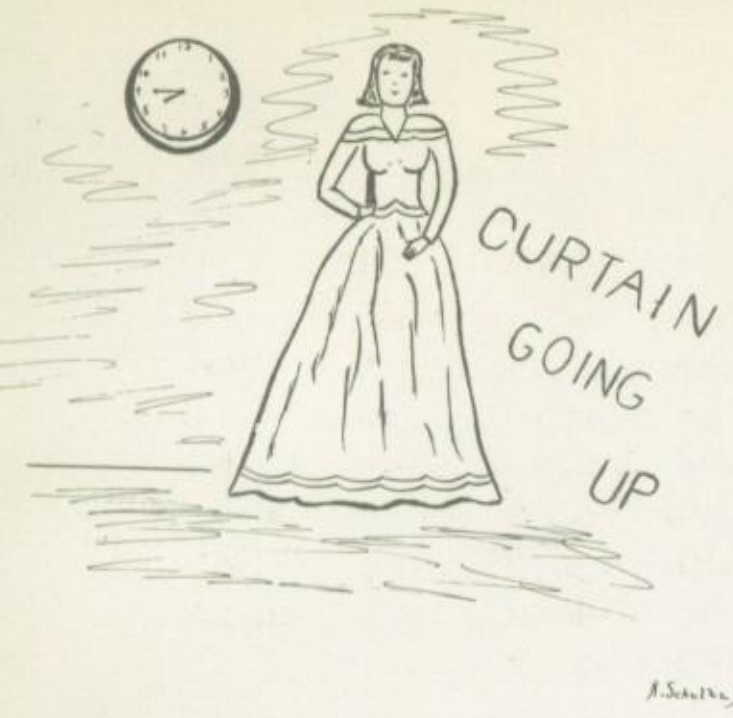
The purpose of the club is not only to learn about background but to play games and sing folksongs, all in German, of course. At Christmas time, the club held a party at the home of their advisor, Mrs. Stengel, at which everyone had a good time.



**First Row**: Edith Knack, Joan Newman, Mae Kautz, Ethel Kellam, Anita Sipple; **Second Row:** Irmgard Tuleweit, Hildegarde Newman. **Absent:** Arlene Gettle.

## USHER SQUAD

The Usher Squad with Hildegarde Newman as Captain and Mrs. Roemer as faculty advisor, is one group of students whose express duty it is to be on time, for it is their job to act as "hostesses" at the various functions at school. Naturally, they must be on the job before "curtain time" in order to find seats for everyone and they have performed their duties in a most satisfactory manner during the year.

**First Row**: Robert Schultz, William Schultz, Captain; **Second Row:** Thomas Snyder, Wendell Smith, Arthur Leewe, Harold Kellam; **Third Row**: Paul Fendt, David McDonald, Donald Hankins, Richard Adams; **Fourth Row:** Leonard Bauer, John Manouse, Lyman Bauer.

Several other of their interests are serving and cooking. Officers of the club are: Jeanne Hermann, President; Joyce Hermann, Vice-President; Phyllis Karg, Secretary; Doris Mudge, Treasurer; and Nancy Keesler, Newsreporter.

### HILLTOPPERS

The boys' 4-H Club, Delaware Valley Hilltoppers, has spent its time engaged in activities which were both profitable and enjoyable for the future farmers of tomorrow. The members visited Cornell University during Farm and Home Week, and entered the Hoard's Dairymen Cow Judging Contest. ## BOY SCOUTS

Approximately fifteen young citizens belong to the Boy Scouts under the able leadership of Bill O'Rourke and his assistant, Jim Manning. These eager beavers meet every Tuesday in the gym and as well as learning woodcraft and other useful arts, they have rollicking good times with hikes, parties and campfire meetings. One hopeful scout tells of the "big project" in view. The boys are going to try and secure a window downtown in which to display a tent containing Boy Scouts to demonstrate their ability. As the Hour Glass tips, each year these boys learn more and more towards making the World of Tomorrow a better one in health, citizenship and goodwill.

## GIRL SCOUTS

"Be prepared" is the timely motto of the Girl Scouts. Time is all important to these girls, for they have just organized, and they need every valuable minute to study the laws and codes of their organization. Fight team, fight!!!

Who sets the tempo and changes it to a faster, faster rhythm! The cheerleaders! Put some zip in it! Back up those boys! Inspire Jimmy on to a touchdown! Come on team, let's go! Just one more basket!

Wherever D.V.C.S. plays, be it football or basketball, the purple and gold cheerleaders will be seen lending support with ceaseless drive. There are two sets of peppy girls. The Varsity cheerleaders lead cheers at Varsity games and the Junior Varsity games are backed by the cheers led by the Junior Varsity cheerleaders.

With Miss Morgans, girls' gym teacher, giving aid and advice, these girls work hard and long drilling. drilling, drilling on old cheers and new ones and ever seeking new patterns and new rhythms to make delightful presentations of their cheers. Have they succeeded? Yes.

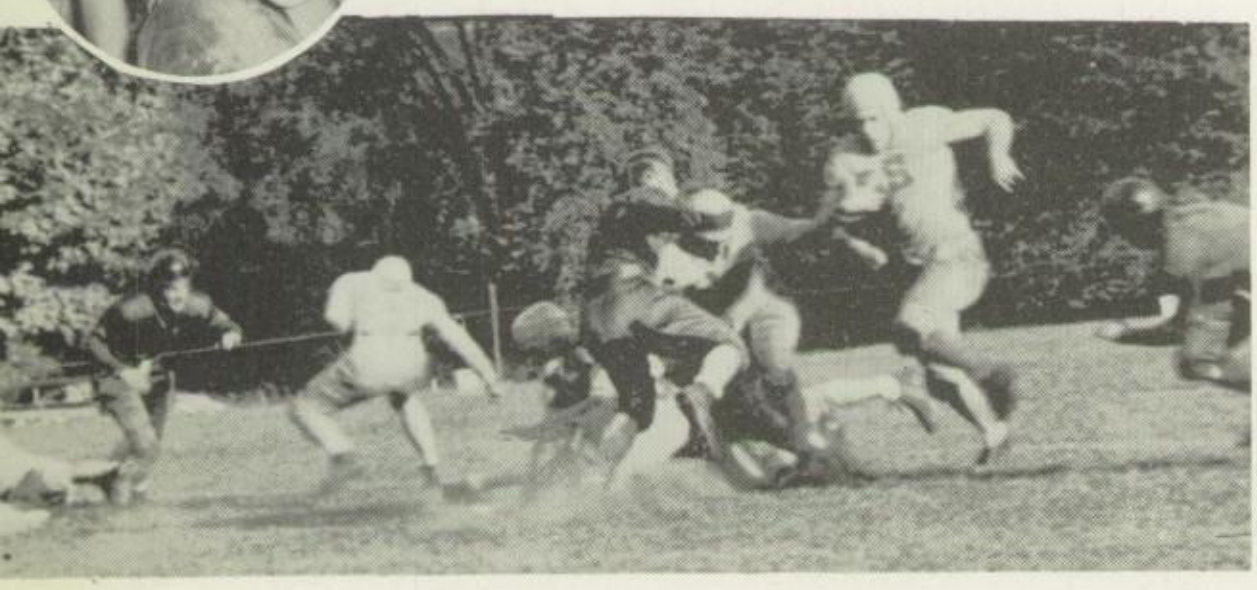
Jeff vs. D.V.C.S. at Callicoon



Eldred vs. D. V. C. S. at Callicoon. Keesler is away for a touchdown!!!

With fall turning into winter, with the warm air changing to a cool nippy air we see six well-padded purple and gold men coming into body contact with six other well-padded men. This is the six-man football team of D.V.C.S. coached by Stanley Kobylenski assisted by Richard Muller. A new system, the wing T formation was used this season. It worked fairly successfully since D.V.C.S. won two out of five games which is a big improvement over last year. Jim Roche was at end, Ted Manouse at center, Bill Moran at quarterback, Jim Keesler at wing and Dick Adam at tailback. Swartwout and Adam were the captains with the former doing the punting and the latter doing the drop-kicking. Bill Swartmount was missed during the last game due to a badly sprained leg.

Lack of a sufficient number of substitutes was responsible for some of the defeats because some games were lost in the final quarter. The team will lose Jim Roche and Bill Swartwout from the first string. However, Chet Gillette, Buck Milk and Frank Fedor promise to be good material for starting berths on next year's team which should be better yet.

**First Row**: Coach Kobylenski, Arnold Pederson, Lyman Bauer, Leonard Bauer, Captain; John Manouse, James McKierman: **Second Row:** Robert Schultz, Manager; Chester Gillette, Richara Adam, James Roche, William Moran, Donald Hankins.

## VARSITY BASKETBALL

This year the varsity basketball squad of D.V.C.S. had the best season it has had for many years. They seem to be on the rising side of thc cycle of time. All of the games were very close but, due to the lack of substitutes, many games were lost in the last quarter. The team finished the season with five straight wins and a record of seven wins and seven losses. It placed fourth in the league.

Donald Hankins and Leonard Bauer were guards, Richard Adam and William Moran forwards, and James Roche was the center. The team will lose two seniors, Len. Bauer and Jim Roche. Chester Gillette and Jack Manous will take over their positions next year. The team shows great promise. Good luck!

**COACH**

One of our best supporters is Coach Kobylens He concentrates on every play in every game. Wh we're disappointed he is and when we win he is pleased as we are.

Time has run out on another season of sports. New stars have been discovered and old ones lost, some through graduation, and others by enlistment into the armed services. But any season is a success, regardless of results, because of honest competion between schools.

# THANKS

The golden grains of the hour-glass have sifted into four years; a tiny pile representing our tears and laughter, failings and triumphs of the high school world. Now is the end—words that bring a sort of sadness. But not the end! Now our lives begin a new day! Each individual holds his world in the palm of his hand as an unpolished gem. It is our task to perfect our own; to produce a piece of beauty for those we love, for ourselves and for America; to gather the misty clouds of our dreams and pack them into a solid ball of reality. We, the citizens of tomorrow, face a world of conflict. We must be wise, strong and unprejudiced. As the hand of Father Time tips over the hour-glass, and the first grains toll the start of a New Year, we must grit our teeth and pledge to keep America the miracle she is, to leave for our children a world united in peace, a Proud Heritage!
